MESSAGE FROM THE GOVERNOR AND LIEUTENANT GOVERNOR

5TH ANNUAL GREG D. PEREZ INTERNATIONAL SPORTFISHING TOURNAMENT

Håfa Adai! We're honored to celebrate the 5th Annual Greg D. Perez International Sportfishing Tournament with all of you—family, friends, and fishing enthusiasts who continue to carry on Greg's legacy. This year marks the 56th anniversary of his world-record Pacific Blue Marlin catch, a moment of pride not only for the Perez family but for our entire island. His story is one of determination, island pride, and a deep love for the ocean that still inspires us today.

There's something special about this tournament because it brings people together. Whether you're out on the water chasing a big catch or cheering from the shore, this event reflects the values we hold dear: tradition, community, and respect for our natural resources. As fishermen compete across categories like Marlin, Yellowfin, Wahoo, Mahi, and Bonita, we celebrate their skill, sportsmanship, and the strong sense of camaraderie that defines Guam.

To the Perez family, the tournament organizers, and every participant, thank you for keeping this tradition alive. Your dedication honors Greg's memory and strengthens the connection between our people and the sea.

A MESSAGE FROM THE FOUNDATION

Greg Perez
President,
Greg D. Perez Sportfishing
Foundation

On behalf of the Greg D. Perez Sportfishing Foundation, it is an honor and pleasure to extend our sincere Hafa Adai and a warm welcome to all the participants, sponsors, supporters, family and friends to our 5th Annual Greg D. Perez International Sportfishing Derby.

At last year's Derby, over 80 fishing teams participated sharing the same goal of topping the once World Record Pacific Blue Marlin landed by Greg D. Perez of the waters off Guam. At the end of the day, the winning catch went to Frank Quinata on the boat Fifty Club, weighing 293.9 pounds.

This year we look forward to another exciting two-day derby at both the Greg D Perez Hagatna Marina, and the Hagat Marina. Weather permitting, we hope to see participants from our fishing neighbors of Rota, Tinian, and Saipan. We are also expecting entries from our neighboring nations of the Republic of Belau, the Federated States of Micronesia, and the Marshall Islands. We welcome all participants and their families and wish all the best of luck on the Derby and a wonderful stay on Guam.

We would like to extend a special thanks to the Saipan Fisherman's Association for again allowing our Foundation the opportunity to participate in their Fishing Derby Awards Ceremony this year. In the spirit of reaching our goals of promoting sports fishing within our region, the Foundation sponsored a fourth-place award in the Bill Fish Category. We also would like to recognize the 27 teams from Guam that participated in this year's Saipan Derby.

Our Foundation's (a non-profit organization) primary goal is to foster sport fishing at all levels with emphasis on supporting educational programs which would enhance sport fishing skills of our youth and teach them the values of protecting our ocean for future generations to enjoy. We have included photos of the various fishing-related support the Foundation has done for youth activities in this booklet.

We give special thanks to Guam Fisherman's Co-Op, Port Authority of Guam, Guam Police Department - Recreational Boating Safety Program, Department of Agriculture - Division of Aquatic and Wildlife Resources, and NOAA-Pacific Islands Fisheries Science Center, for all their support and assistance. Along with our outstanding sponsors, supporters, and volunteers, we present you with the 5th Annual Greg D. Perez International Sportfishing Derby!

Our Foundation

Established in July 2021, the Greg D. Perez Sportfishing Foundation is a family oriented, nonprofit organization dedicated to promote and advance the enjoyment of sportfishing on Guam and the Marianas.

Our Mission Statement

The Foundation was established to champion educational opportunities to increase the understanding, awareness, and appreciation of sportfishing, as well as the protection and preservation of game fish in Guam and the Marianas.

5th Annual Greg D. Perez International Sportfishing Derby • Official Rules & Regulations

August 09-10, 2025 • Gregorio D. Perez Marina (Hagatna) and Agat Marina

1. Entry fee: \$250.00 per boat for two people (Captain and one Crew); \$50.00 per additional crew/angler.
2. Fishing hours are from 6:00 am to 6:00 pm on Saturday and Sunday, August 09-10, 2025.
3. Increment Weather: Should a small craft warning be issued, or an earthquake occurs that forces the cancellation of Derby Day, the Derby will be rescheduled for the next most convenient day. The Derby committee shall meet to determine the specific dates for the Derby. Event details will be announced.
4. Two Derby stations will be open for your fishing convenience. Greg D Perez Marina (Hagatna) is the Main Derby Station and the Agat Marina is the Secondary Station. Each will be equipped with a certified scale, status board, and VHS radio. Both Derby Stations will monitor Channel 68.
5. Participants must determine which Marina they will be departing (checking-out) from. Vessels MUST depart and check-in at the SAME Marina. Example: Vessels departing from Greg D Perez Marina MUST check back in at Greg D Perez Marina, and those departing from Agat Marina MUST check back in at the Agat Marina. All qualifying catch must be weighed at the same Marina.
6. Check-out and check-in of boats from both marina stations will continue throughout the day but must check in no later than 6:00 pm on August 09-10, 2025, for your catch to qualify. All participants must have their boat inside the tip of either Marina entrance (inside Channel markers) at or before 6:00 p.m and proceed to the Official Weigh Station, for their catch to qualify. Failure to do so will result in a disqualification of their catch.
7. All boats participating in the Derby must have completed an Entry Form, signed the Waiver and have a Entry receipt. The receipt will be issued upon registration and should be available upon request by a Tournament Official. The Registration form must indicate the name of the person who will receive the Derby prize, if their boat wins any prize.
8. All boats MUST submit a Float Plan with Tournament Officials prior to departure from Marina. The float plan information will be kept confidential by Tournament Officials.
9. Vessels will be inspected by Tournament Officials and signed off prior to departure from the designated Marinas. Tournament official will begin inspection at 4:30am at the Gregorio D. Perez (GDP) Marina (Hagatna) and Agat Marina.
10. Participants not having any qualifying catch to report, or are returning late, are required to contact derby officials (Tournament Official) on radio on channel 68 and advise that they are done for the day.
11. All fish must be recorded and certified by the Tournament Weigh Master to qualify for prizes.
12. Electric Reels are NOT ALLOWED on participating boats.
13. A boat may win only one (1) prize per category (place).
14. There are five (5) categories of fish: Billfish (Shortbill Spearfish; Sailfish; Blue Marlin, Black Marlin; Broadbill Swordfish), Yellow-Fin Tuna, Wahoo, Mahi Mahi and Bonita. Note: For BONITA category, only Bonita weighing 10 lbs. and over will qualify for Derby prizes.
 - a. BILLFISH— Grand: \$4,000; 1st Place - \$2,000; 2nd Place - \$1,500; 3rd Place - \$1,000
 - b. YELLOWFIN: 1st Place — 1,500; 2nd Place - \$ 1,000; 3rd Place - \$700
 - c. WAHOO: 1st Place - \$ 1,000; 2nd Place - \$700; 3rd Place - \$ 300
 - d. MAHI MAHI: 1st Place — \$1,000; 2nd Place - \$ 700; 3rd Place - \$300
 - e. BONITA; 1st Place - \$ 700; 2nd Place - \$500; 3rd Place - \$250
15. The “Greg D. Perez World Record Marlin Category Special Prize” is awarded to the First Participant to weigh and record a Marlin that weighs over 1,153.0 pounds

- within the Tournament Rules. The “Special Prize” will be offered only once. The order for weighing and recording is based on the first boat that enters the tip of the Gregorio D. Perez Marina and/or the AGAT Marina entrance. The Special Prize will only be honored on Derby date and time. The winner of this special prize will not be eligible to win the largest Billfish Category or Grand prize. Any fish that qualifies for a Special Prize must be photographed on the weight scale and the photo must show weight reading. Official documents certified by the Tournament Committee must be submitted upon confirmation of the event/category winner.
16. In the event that two fish weigh the same amount, the first fish to be weighed and recorded at the either the Gregorio D. Perez Marina or Agat Marina will be considered the winner. The second fish weighed and recorded may be eligible for another prize in the same category.
 17. No boat may assist another boat with landing their catch.
 18. Transfer of catch from one boat to another is NOT allowed. No other boat or person from another boat may assist in landing/boarding a fish. Any catch being transferred between boats, or a boat being assisted by another boat in landing/boarding a fish will disqualify both boats and the catch.
 19. Prohibited Fish Handling: shooting, harpooning or lancing fish during any stage of catch will disqualify the fish. Gaffs exceeding 8 feet or flying gaffs in which rope exceeds 30 feet are prohibited. Firearms are prohibited.
 20. Fish mutilated by sharks, other fish or propellers that remove or penetrate the flesh will be disqualified. Injuries or scratches caused by leaders or lines, healed scars or regenerated deformities are exempted. Any mutilation of the fish must be explained to the satisfaction of the Tournament Officials.
 21. Fish Quality / Prohibitions: All fish must be properly handled, iced and of good quality. Fish that are not well kept throughout the day and appear to be old may be disqualified for that reason. Ice them down.
 22. Stomach contents of all fish entered for a prize may be randomly checked and removed by Tournament Officials.
 23. Only protests submitted to a Tournament Official in writing and within an hour after the closing of the tournament day will be entertained by Tournament Officials. The decision of the Tournament Officials will be final.
 24. Participants are responsible for their own safety, actions, and property at all times.
 25. All participating boats must observe safe boating rules and regulations. Failure to do so may result in the disqualification of the boat from the tournament. A registered boater will not qualify for reimbursement if disqualification is due to the boater negligence in furnishing the required safety equipment and current boating registration. Vessels must comply with US Coast Guard and Local boating safety rules.
 26. Participants are encouraged to assist boats in distress if they are able to. Boats responding to a distress call will be exempted from the 6:00 p.m. deadline if they have a qualifying catch onboard PRIOR to responding to the distress call, BUT must obtain prior approval from the Tournament Rules Official.
 27. In case of a “MAY DAY” or “DISTRESS CALL”, the closest boat to the vessel in distress will take charge of communication and rescue attempts. Immediately notify GFD Rescue on Channel 68 and the US Coast Guard on Channel 16, utilizing your VHF radio. On your cellular phone, dial 911.
 28. Sportsmanlike Conduct: All participants are expected to maintain a reasonable and sportsmanlike demeanor at all times throughout the tournament. Unsportsmanlike or threatening conduct towards tournament organizers or other participants, or any other behavior which the tournament organizers deem inappropriate, in their sole discretion, will result in immediate disqualification of the entire team with no refund of entry fees.

YOUTH PROGRAMS

Rooted in the Pacific Islander tradition that honors the ocean as both a provider and a teacher, the Greg D. Perez Sportfishing Foundation is a family-oriented nonprofit organization dedicated to promoting the values of sustainable sportfishing throughout Guam and the Marianas. Since its founding in 2021, the Foundation has embodied the island adage: "Teach a man to fish, and he learns for life."

Our mission is to educate the community—especially our youth—on the importance of preserving our natural resources through responsible fishing practices. In doing so, we honor generations of Chamorro and Pacific Islander fishers who lived in harmony with the ocean, respecting its rhythms and bounty.

The following educational programs are supported by the foundation and have impacted close to 60 youth.
